Excerpt from consolidated Parent organization audited financial statements.

The Medical Center, with the exception of Archbold Medical Enterprises, Inc., is a not-for-profit corporation that has been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code.

The Medical Center applies accounting policies that prescribe when to

Part XIII Supplemental Information *(continued)*

recognize and how to measure the consolidated financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Medical Center only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying consolidated balance sheets for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of September 30, 2018 and 2017 or for the years then ended. The Medical Center's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

(The Medical Center refers to Archbold Medical Center, Inc., the parent corporation.)

Input was gathered from the following sources from June 3-July 25, 2016:

- . Douglass High School Alumni Association-Group Meeting and Written Surveys
- . Georgia Department of Behavioral Health and Developmental Disabilities-Written Surveys
- . Magnolia High School Alumni-Written Surveys

Part III - Other Additional Information

The IRS rules & regulations require that certain non-current, non-cash items are reported in Part VII of Form 990 regardless of the current benefit to the employee. These same rules, in some cases, require the compensation and benefits to be reported twice in Part VII, once when the entity accrues for a future payment and once when the payment is actually made to the employee. Therefore, an employee's stated total compensation and benefits reported on Part VII are substantially higher than the actual cash compensation received in the current year. Amounts reported as benefits include amounts for life insurance, health insurance, thrift plan contributions, and pension contributions. Benefits related to pension and retirement plans reflect amounts accumulated, but not paid, to the individual in recognition of total years of employment, not just the current year.

Part III Supplemental Information

Provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 3, 4a, 4b, 4c, 5a, 5b, 6a, 6b, 7, and 8, and for Part II. Also complete this part for any additional information.

Supplemental Executive Retirement Plan

Two of AMC's top executives participate in a supplemental executive retirement plan (SERP) which is accrued but unfunded in an amount which, when added to other sources of retirement income, will afford a retirement income at a targeted percentage of pre-retirement compensation.

The SERP is a non-qualified retirement plan.

The current year's value of the SERP decreased due to changes in the assumptions used in the actuarial valuation of the estimated accrued liability.

AMC 457(f) Retirement Plan

Certain executives who are not eligible for the SERP may be eligible to participate in a 457(f) plan to help them accumulate funds for their long term financial needs. The organization may contribute a percentage of base salary into an individual executives account if the organization meets certain financial targets. The organization owns any plan assets until they are paid to the employee and all funds are subject to a substantial risk of forfeiture. Vesting begins at age 55 with five years of service at

a rate of 90% and then increases to 100% at age 60. Payments are made annually upon vesting.

Officers and physicians are awarded bonuses/incentives contingent in part on meeting management-by-objective incentive plan goals and excess of revenue over expenses.
